

Create your own comic strip

Draw your own superhero – what is his or her super power? How about giving them a gadget – or a cape! Maybe they have a superhero pet too – a dog, cat or monkey?

Now draw your superhero's worst enemy – a real villain – what is their super power? Do they wear a mask? What about their villain pet – maybe a snake? Or an evil goldfish in a bowl?

Create your own comic strip

Create a story for your superhero. Give your superhero someone to save and a threat to overcome. Try one of the following story ideas or use your own:

- An alien ship is about to land on Big Ben.
- An army of giant ants are marching on the city and they're hungry!
- There's a flood and people are using their cars as rafts . . .

What does your superhero do to save the day?

Tell your story in the panels below:

Create your own comic strip

Here are some suggestions for new cartoon characters – what you think they would look like?

Then why not try coming up with a few character names and ideas of your own?

Fred the Flying Fridge

Grape Girl

Zoron the Zombie

Dr Evil

Captain Flipper
